Olivia's story

Why I love Easter Seals

My name is Olivia Ash and I love everything to do with Easter Seals.

I love music class where I play the drum and the keyboard. Occasionally Sean McCann joins us and we play some Newfoundland and Irish music.

I also love wheelchair basketball. At first I didn't like it. I was scared the ball would hit me in the face. But then I got used to the ball and now, I go in and pass it back and forth no problem! In fact, chest passes back and forth are my new favorite things.

On Saturdays I volunteer at 'Let's Get Active' where I help my friend Dante with some of the games.

I have been going to day camp and overnight camp since 2005. At overnight camp, me and my friends hang out, chat, and eat junk food. At overnight camp I connect with old friends and meet new ones.

There really aren't many days when I am not involved with Easter Seals. On those other days, I am hanging out with friends who I met at Easter Seals.

I like it all! I especially love hanging out with my friends and going to activities.
