Update due to COVID-19 Omicron Variant

Dear Families and Participants,

As you are aware, the Omicron Variant of COVID 19 has shown a significant increase in case numbers over the holidays, we are closely monitoring updates by the Department of Health and Community Services.

In order for Easter Seals Newfoundland and Labrador to protect our participants, staff, volunteers and families, all in-person Career and Educational Programs and Services will be moved to a virtual platform. Our Winter Recreation, Music and Art Program start dates will be postponed, until in-person program delivery can occur safely. Easter Seals Newfoundland and Labrador's staff will be working with our participants and family members to deliver some of our programs virtually. All participants currently registered for our Winter Programs will be contacted directly.

Easter Seals Newfoundland and Labrador, encourages you to review the documents below and discuss with your family the practice of good hand hygiene and respiratory etiquette, both of which are key to reducing transmission of COVID-19, as well as other viruses. Below you will find relevant links to information and resources.

Link to Provincial COVID-19 information: <https://www.gov.nl.ca/covid-19/>

If you have any questions, please call the provincial Health Line at 811 or TTY 1-888-709-3555.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "Mark Bradbury".

Mark Bradbury, CPA, FCMA
Chief Executive Officer
